

AMENDMENT

IN THE SPECIFICATION

Please amend the “Brief Description of the Drawings” section by adding the following paragraph as the first paragraph of this section:

The patent or application file contains at least four drawings executed in color. Copies of this patent or patent application publication with color drawings, will be provided by the Office upon request and payment of the necessary fee.

Applicants have made a diligent effort to place the application in condition for allowance. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Daniel M. Chambers, Applicants' Attorney at 858-350-9690 so that such issues may be resolved as expeditiously as possible.

For these reasons, and in view of the above amendments, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Examiner's approval for the entry of these drawings is respectfully requested. No new matter has been added.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Mail Stop: MISSING PARTS, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.
